

Dr. William Stokes, Director  
NICEATM (MD EC-17), NIEHS  
P.O. Box 12233  
Research Triangle Park, NC 27709

Dear Dr. Stokes:

I respectfully ask the NIEHS to begin efforts to completely replace lethal dose testing with non-animal, in vitro testing methods. The LD50 Test is no longer needed in today's environment of great technological advances.

Sincerely,

Kim Schlittler
